Stroud District (Cowle) Museum Service

## World War II

During the war Stroud families and schools received many evacuees from Coventry, Birmingham and Eastbourne. Our sessions include:

- A visit from the ARP Warden (in partnership with Spaniel in the Works Theatre Company)
- A civil defence exercise for Area 8
- A handling session with original WWII artefacts including 'make do and mend' items
- A mending session
- Footage of local people's stories

Exhibition panels prepared for a WWII exhibition on Stroud's wartime experiences are also available.

The Learning and Programmes Officer will consult you over the aims of your visit and devise sessions accordingly.
